

TESTIMONIALS

I WOULD like to thank you for allowing us to rent from **Galt Speak Student Homes** this past year. You have been a great landlord and I would highly recommend **Galt Speak Student Homes** for anyone looking to rent in the Duluth area.

You have taken care of any and all problems extremely fast and all jobs have been done with great quality as well.

With all the horror stories you hear about landlords not fixing up their houses it gave me great peace of mind to know that we had both yourself and Eric if anything went wrong.

Thanks again for the great year.

I HAVE been a tenant with **Galt Speak Student Homes** for the past three years and I could not have asked for a better experience. Moving off campus in a strange city can be overwhelming and scary; however, Linn made our groups transition absolutely AMAZING!

We have loved our house and their willingness to help when problems arose has been priceless!

GALT SPEAK STUDENT HOMES saved us from renter's depression. The girls and I came from a landlord who never fixed our problems. Linn instantly wanted to solve the problem and would call Eric in maintenance to help us. It was amazing and we loved the open communication levels.

We also extremely appreciate how close to campus our house is, it has saved us lots of gas money! Thank you!

I COULD not have asked for a more helpful and attentive landlord. Even when a problem arose, Linn made sure that the situation was fully resolved and that we, as tenants, were absolutely satisfied with the outcome.

In more than one situation this attentiveness set **Galt Speak Student Homes** a bar above the rest.

OVER THE past four years I have been living in a **Galt Speak** house, and I have enjoyed every minute of it. My roommates and I have made countless wonderful memories in this place that I will undoubtedly carry with me for the rest of my life. It has been a great renting experience. Anytime there was an issue or concern, which happened rarely, the manager took quick action to accommodate our needs and made sure that we were as comfortable and safe as possible throughout our stay.

I would recommend **Galt Speak Student Homes** to anyone looking for a safe, clean and affordable living environment.
